Sections 10-20.12a and 10-20.12b (105 ILCS 5/10-20.12a and 10-20.12b) of the Illinois School Code and Board Rule 5-12 authorize and empower the Board to charge tuition, not exceeding 110% of the per capita cost of maintaining its schools during the preceding school year, to pupils enrolled in the Chicago Public Schools determined to be non-residents of the City of Chicago. Further, section 10-20.12b provides that a hearing be held, when requested by the person who enrolled the pupils, to determine whether or not a pupil who is believed to be a non-resident resides within the City of Chicago. If after notice of the initial determination of non-residency, the person who enrolled the pupil does not request a hearing or, if requested, the hearing results in a finding that the pupil does not reside in the District, the person who enrolled the pupil shall be charged tuition for the period of non-resident school attendance and the pupil shall be barred from attending school in the district. Notice was provided to the family on August 16, 2023. After an initial determination of non-residency by the Law Department, the party that enrolled the pupil was given notice of their right to a hearing to challenge the determination of non-residency. A hearing was not requested.
