Further, section 10-20.12b provides that a hearing be held, when requested by the person who enrolled the pupil, to determine whether or not a pupil who is believed to be a non-resident resides within the City of Chicago. If after notice of the initial determination of non-residency, the person who enrolled the pupil does not request a hearing or, if requested, the hearing results in a finding that the pupil does not reside in the district, the person who enrolled the pupil shall be charged tuition for the period of non-resident school attendance and the pupil shall be barred from attending school in the district. After an initial determination of non-residency by the Law Department, the parties that enrolled the pupils were given notice of their right to a hearing to challenge the determination of non-residency.
