**SALE OF THE FORMER BUILDING C OF GEORGE WASHINGTON CARVER PRIMARY SCHOOL
TO PEOPLE FOR COMMUNITY RECOVERY**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

That the Board accept the offer submitted by People for Community Recovery, an Illinois not-for-profit corporation ("Purchaser"), in the amount of \$20,000, for the sale of the former Building C of George Washington Carver Primary School, located at 901 East 132nd Street, Chicago, Illinois ("Property"), and direct the Public Building Commission of Chicago ("PBC") and the City of Chicago in Trust for Use of Schools ("City"), as applicable, to issue a deed in the name of the Purchaser. Additional information pertinent to this transfer is provided below.

LEGAL DESCRIPTION AND PIN: See the attached Exhibit A.

SALE INFORMATION: The property is excess real estate consisting of a 58,175 square foot parcel that is improved with a 20,001 square foot vacant building that previously served as Building C to George Washington Carver Elementary School. The building has not been in use for over 30 years and is no longer needed for educational or administrative purposes.

Pursuant to Section 105 ILCS 5/34-21, the Board may negotiate the sale of surplus property that has a fair market value of less than \$25,000. People for Community Recovery submitted an offer to purchase the property for \$20,000, and they propose redeveloping the Property for use as the Hazel Johnson Center for Environmental Justice.

The Board will enter into a purchase and sale agreement with the purchaser in the amount of \$20,000, if this sale is approved by the Board.

RECOMMENDATION: The Property is no longer needed for educational purposes and the sale of the Property is in the best interests of the Board. The Board was pursuing the demolition of the building on the Property until the local community expressed the desire for the building to be saved and repurposed for other uses. The Board conducted an appraisal and the estimated fair market value was determined to be \$20,000. People for Community Recovery is pursuing a mix of financing for the redevelopment of the Property including grants from the National Trust for Historic Preservation and the Chicago Community Trust as well as New Market Tax Credits and Historic Preservation Tax Credits to help finance the project. The sale of the property will also eliminate the need for maintaining the Property and will reduce the Board's liability exposure.
