Randomized Lottery for Speaker Selection

In order to provide more equity of voice during the public participation segment, a randomized lottery will be conducted to select speakers for any meeting where the number of registered speakers exceeds the number of slots available.

- Randomized Selection: During a 24 hour registration period, anyone interested in speaking can sign up. After this time, a lottery will randomly select a set number of speakers from those who registered. For example, if 100 people register, the lottery might select 30 of them to speak. This process gives everyone a fair chance to address the Board.
- Number of Speakers: The Board will allocate no more than 30 speaking slots to members of the general public to speak to the Board.
- Notifications: After the lottery, you'll receive an email confirming whether or not you've been selected to speak. Instructions for participating in the meeting will also be provided.
- Applicability: The Randomized Lottery applies to all Board Meetings where advanced registration is available. This system will not only apply to Board Meetings but also to other meetings where advanced registration is available, such as Committee meetings and Hearings.

Participation

Speakers who registered via the Advance Registration process will have the option to attend in person at the location of the Board meeting or via electronic/telephonic means.

Limitations on Speaking

To maintain a fair chance for speakers to address the Board, you may not speak at back-to-back meetings and you may not speak at more than one meeting per month.

- If you register for back-to-back meetings and more than one meeting per month, you will not be included for that meeting lottery. This ensures more opportunities for the public to address the Board.
- Speakers may not cede their time to another person.

Speaker Remarks and Submissions

- Each speaker is given .two (2) minutes to present their remarks and materials to the Board. Speakers must end their presentation upon the request of the Board Secretary when their time is up to allow the next speaker to begin.
- All public presentations must be limited to issues of concern before the Board and/or related to the Chicago Public Schools.
- Comments of a personal nature, unrelated to the operations of Board or CPS, directed towards individual Board members, employees of the Board or any other individual are not permitted.
- It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.
- All speakers must adhere to the Behavior Expectations in the following section.

Order of Speakers

The Board Secretary may group speakers according to a particular topic and may call certain speakers out of numerical order so that all comments regarding a particular topic may be heard together.

Special Considerations

Union Representatives and Public Officials

- Union representatives that are elected officers may address the Board.
- City, state, and federal officials may request to speak by contacting the Department of Intergovernmental Affairs at IGA@cps.edu.
- Each union representative or public official is given five (5) minutes to present their remarks.

- The Board Secretary at the discretion of the President may call city, state, and federal officials to speak at any time, as appropriate.

Interpreters

- An interpreter will be provided for those speakers who wish to make their remarks in Spanish, and Spanish-language interpreters are available. If you need an interpreter for a different language, please notify the Board Office at least two (2) business days before the meeting.
- While speakers may choose to address the Board in Spanish, they will need to provide a written version of their statement the day prior to the meeting if they wish to have it translated into English during the meeting. Speakers who do not provide their statement in advance may still address the Board, but their statement will be translated and shared with Board Members at a later time.

Behavior Expectations

- The Board values and welcomes courteous, respectful, and civil behavior from all speakers and all persons attending a Board meeting. The Board expects speakers to limit statements to those relating to the operations of the Board or CPS, and refrain from comments of a personal nature, unrelated to the operations of the Board and CPS. It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.
- Profane language, unsolicited comments, and disruptive behavior are prohibited. Individuals who are disruptive may be given a warning and may also be removed from the meeting, if necessary. If any individual is removed from a meeting as a result of disruptive behavior, the individual may forfeit their right of reentry to future Board meetings.

Written Comments and Other Participation

Submitting Written Comments

- Even if you are not selected to speak during Public Participation, you can submit written comments. Complete the Written Comments Form on the Board's website or send your comments by mail to 1 N. - An area of the Board Room will be designated for members of the media who wish to cover the Board meeting. This number may be limited in order to accommodate as many public participants as possible. Guidelines and requirements for media access to Board meetings are issued by the Office of Communications.

These guidelines have been developed to ensure that everyone has a fair chance to participate in Board meetings. Thank you for your cooperation and commitment to fostering a respectful and inclusive environment.

AMEND BOARD REPORT 16-0323-PO1 BILINGUAL EDUCATION POLICY

THE CHIEF EXECUTIVE OFFICER RECOMMENDS

That the Board amend Board Report 16-0323-PO1, Bilingual Education policy, in response to the biennial policy review required by Board Rule 2-6. This policy was posted for public comment from July 26, 2024 until August 26, 2024.

PURPOSE

The purpose of this policy is to ensure that students in Pre-Kindergarten through grade 12 ~~whose home language is not English~~ whose language background is a language other than English and who are eligible for Bilingual Education services have ~~equity in education and language acquisition opportunities through the District's Bilingual Education Services~~ equitable access to instruction, grade-level educational opportunities and language development opportunities through District's Bilingual Education Services.

The Board acknowledges that cultural identity is inseparable from language and recognizes ~~bilingualism~~ multilingualism as a desirable goal ~~and for all students as well as~~ a reflection of cultural heritage. This Policy further strengthens the Board's commitment to recognize students' home languages and cultures as assets to build upon and to support academic success while they acquire English in preparation for success in college, career, and life.

The Board is committed to bilingual education as an effective vehicle for providing English Learners (ELs) with a full measure of access to an equitable educational opportunity as required by federal and state law.

This policy specifies Dual Language Education as a program model option for delivering bilingual education services, and the Board recognizes Dual Language Education as an effective model for building bilingualism and biliteracy in students.

This policy reflects the Board's emphasis on:

- Services for English Learners which are aligned to federal and state legal standards and reflect research-based approaches to EL instruction,
- Clarity and guidance on effective instructional design for English Learners,
- Research-based instructional practices for English Learners, and
- Meaningful parental participation in Bilingual Education Services.

DEFINITIONS

Bilingual Education Services: A program of instruction designed to promote meaningful access to core content through Transitional Bilingual Education, Transitional Programs of Instruction, or Dual Language Education. English Learners are provided with tools, resources, and program structures to ensure that students are fully engaged in rigorous instruction preparing them for college, career, and life.

English as a Second Language: Specialized instruction designed to provide English Learners with focused language development in English in the domains of listening, speaking, reading, and writing.

Home Language: The language spoken within a student's home; spoken by the student, the parents, the siblings, and/or other family members; also referred to as Language Classification or Native Language.
General Program of Instruction: Pre-Kindergarten through grade 12 educational programs offered to all students.

Language development: The process by which individuals acquire and refine their ability to understand, produce, and use language for communication. It occurs over time with appropriate instruction and support, gradually expanding vocabulary, grammar, and communication skills through interaction, exposure, and practice in various contexts.

Native Language: The language spoken within a student's home; spoken by the student, the parents, the siblings, and/or other family members; also referred to as Language Classification or Home Language.
Native Language Instruction:

Sheltered Instruction: an approach where language serves as the primary medium for teaching content-related skills and concepts across disciplines. Instruction is linguistically supported and differentiated to ensure English Learners (ELs) have meaningful access to content to achieve mastery and provides varied methods for ELs to demonstrate knowledge and skills.

Students with Limited or Interrupted Formal Education (SLIFE): Students with Limited or Interrupted Formal Education (SLIFE) are English learners who have experienced interrupted education or have limited formal education before enrolling in the district. ELs who are SLIFEs are provided with Bilingual education services offered at the school and must be provided equitable access to any additional programs that are available for CPS students.

Transition from the program: Process in which a student who satisfies English language proficiency requirements based on the state-prescribed assessment and is then enrolled in a general program of instruction.

POLICY TEXT

1. Applicability

This policy applies to all grades Pre-Kindergarten through 12 and to all Chicago Public Schools (CPS) Elementary and High Schools regardless of whether the school is currently serving English Learners, including charter, contract, and options schools. For purposes of this policy, "English Learners" means students, whether born in the United States or born elsewhere, whose home language background is a language other than English and whose proficiency in speaking, reading, writing, or understanding English may be insufficient to allow them (a) the ability to meet the State's proficient level of achievement on state assessments; (b) the ability to successfully achieve in classrooms where the language of instruction is English; or (c) the opportunity to participate fully in the school setting.

The legal immigration status of a parent or child has no bearing on the rights of the student to enroll in a public school. The laws of Illinois and the United States guarantee all students equal access to a free public education through grade twelve until the age of 21, regardless of legal immigrant status. Every school is required to guarantee all students equal access to the full range of programs, services, and resources available.

While Policy 702.1 allows parents/guardians to have the option to transfer their child to the nearest school with a bilingual language program aligned to their needs, the child's neighborhood school has an

obligation to enroll the child and provide appropriate bilingual education services regardless of whether those services have been available in the past.

2. Identification of English Learners Upon School Enrollment

A. Home Language Survey

Every student, Pre-Kindergarten through grade 12, newly enrolling in a CPS District school or any of the District's Pre-Kindergarten programs must complete a Home Language Survey (HLS). The HLS shall be accessible in the home language (without undue burden on the family) and meet all state requirements (23 Admin Code Part 228.15). Parents/legal guardians have a right for an opportunity to have the HLS clearly explained to them at the time of completion.

B. EL Screening and Placement

Regardless of proficiency in their home language, Every student whose Home Language Survey response includes "yes" to one or more of the questions must be screened for English language proficiency to determine eligibility and placement in Bilingual Education Services. For K-12 grade level students, screening shall utilize the state-prescribed screener. For Pre-K students, screening shall utilize the screener specified in the Bilingual Education Handbook. All students enrolled in Pre-Kindergarten whose Home Language Survey response includes "yes," must be rescreened upon enrollment in Kindergarten. A student shall be deemed eligible for enrollment in Bilingual Education Services based on ~~his or her~~ their screening results.

C. Incoming Transfer Students

Program eligibility and placement of transfer students shall be based on the most recent state-prescribed English language proficiency assessment from the transferring school district ~~if available AND only if the score was obtained during the current or previous school year and the home language and EL eligibility status in the state (ISBE) student information system supersedes any subsequent HLS and screening information.~~ If assessment scores are not available, ~~or are available but out-of-date,~~ eligibility and placement shall be based on the ~~state-prescribed Screener results from the transferring school district, provided that the score was obtained within the previous 12 months.~~ A student shall be re-screened if no valid screener results are provided by the transferring school district for the purpose of determining appropriate placement but not for determining eligibility.

D. Parent/Guardian Requests

The parent/guardian of any student within the District who has not been identified as an English Learner after having been previously assessed for English language proficiency with a state approved screener, has the right to request that the student be ~~considered for placement in Bilingual Education Services~~ re-screened after at least a year since the previous assessment. If this request is made, the school must screen and place the student in an appropriate program based on the student's screening results.

3. Bilingual Education Services Enrollment and Duration of Participation

A. Enrollment, Participation, and Transition

~~An English Learner shall be enrolled and participate in Bilingual Education Services until such time as the student achieves a level of English language proficiency on the state-prescribed assessment that enables the student to perform successfully in classes in which instruction is only conducted in English.~~ ELs must be assessed annually with the state-prescribed English language proficiency assessment to monitor their progress in listening, speaking, reading, and writing. A student shall be transitioned from the Bilingual Education Services when he or she has

demonstrated a level of English language proficiency at or above the state-designated exit criteria, as provided in the Bilingual Education Handbook.

B. Monitoring Transitioned Students

The principal shall ensure the monitoring and documentation of progress made by students in meeting the state academic standards following their transition to the General Program of Instruction as specified in the Bilingual Education Handbook. ~~If academic~~ Academic evidence ~~later suggests that a transferred student is still in need of English language support, the student may be re-enrolled into Bilingual Education Services~~ collected during this monitoring process shall be used as evidence when determining any additional language and academic support needed.

4. Parent/Guardian Notification

The principal shall ensure that the required annual Bilingual Education Services eligibility notices, as provided in the Bilingual Education Handbook, are issued to the parents/guardians no later than 30 calendar days after the beginning of the school year (or within 14 calendar days of enrollment for students who enroll after the 30th calendar day from the first day of school). The annual notifications will include information required in 105 ILCS 5/14C and will be provided in both English and the parent/guardian's preferred language.

5. Bilingual Education Services Refusal or Withdrawal by Parent/Guardian

A. Program Refusal

A parent/guardian may elect to refuse ~~enrollment of their child in the Bilingual Education Program~~ all or some components of Bilingual Education Services for their child after the child is determined to be eligible but before the child has received any Bilingual Education Services. The principal or designee shall ensure that parent/guardians refusing only some components of services can do so without having to refuse all Bilingual Education services. Such decisions must be documented and indicated in the student's EL records, following guidance from the Office of Multilingual-Multicultural Education.

B. Program Withdrawal

A parent/guardian may elect to withdraw their child from receiving all or some components of Bilingual Education Services at any time during the child's participation in the program.

C. Procedure for Program Refusal or Withdrawal from Bilingual Education Services

A parent/guardian requesting a refusal or withdrawal must submit a handwritten, signed, and dated request to the school. The principal or designee shall ensure that, upon receipt of such request, he or she schedules a conference with the parent/guardian to review: (i) the reasons for the refusal or withdrawal, (ii) the student's English language proficiency level scores, academic progress, and teacher input, AND (iii) the requirement for the student to continue to take the state-prescribed English language proficiency assessment each year until the student meets the state-designated exit criteria. 6. Bilingual Education Programs and Requirements

A. General

In order to maintain compliance with statutory requirements for serving English Learners, schools shall establish and maintain one or more of the following Bilingual Education programs:

English as a Second Language instruction compliant with state standards, must be provided daily, with proper modifications and accommodations to help meet the language needs of the students. Instruction must also include the history and culture of the native land of the student or their parents and the United States. ~~The Full or partial components of a TBE program is~~ are provided to a student ~~on either a full-time or part-time basis~~ as determined by the student's attainment on the state-established English language proficiency level and other characteristics as defined in the state criteria for part-time placement. Instruction in a TBE program must be aligned to all adopted Illinois Content and Language Standards.
2. Transitional Program of Instruction (TPI): This program model provides ESL instruction in core content areas for ELs. A TPI must provide ESL instruction daily with proper modifications and accommodations to help meet the language needs of ELs. ELs must receive scaffolding and, when possible, native language support during instruction in core content areas, including Language Arts, Social Science, Science, and Math. Instruction should include the history and culture of the native land and of the United States. Instruction in a TPI must be aligned to all adopted Illinois Content and Language Standards

Dual Language Education (DLE): This program model satisfies the state requirements for TBE and is provided at schools that have been approved to provide DLE. DLE provides both English Learners and non-ELs with instruction in both English and another language with the goal of all students becoming bilingual and biliterate. The DLE program may be offered in a one-way immersion setting serving English Learners who are all from the same language classification or in a two-way immersion setting comprised of English Learners from one language classification and non-EL students.

B. Bilingual Education Programs Offered at Each School

1. Each school shall provide for grades K-12:
 - a. A Transitional Bilingual Educational (TBE) Program when the school has an enrollment of 20 or more English Learners of the same language classification across all grades K-12.

Teachers specifically assigned to Bilingual Education Services must hold the appropriate PEL and endorsement(s)/approval(s) for their necessary for specific components of the students' program model. CPS teachers holding an Educator License with Stipulations (ELS) Transitional Bilingual (~~formerly Type 29 certificates~~) who satisfy the requirements to become qualified have to complete an approved program to qualify for receipt of the appropriate endorsement/approval within five years from the date they receive the ELS Transitional Bilingual. The principal shall ensure that teachers holding ELS-TBE are progressing toward obtaining the bilingual endorsement and are receiving guidance and support around EL instruction. The principal shall ensure the school is adequately staffed to serve all English Learners enrolled.

D. Grading Protocol for English Learners

~~The Board has high expectations for all students regardless of the language they speak and their cultural background. No English Learner shall receive a failing grade due to limited English proficiency. A failing grade must be based solely on the English Learner's level of academic performance in the appropriate bilingual education programs, if the student's academic language dominance is proven to be in their home language.~~

The Board has high expectations for all students. Language and cultural background are not exceptions to high grading expectations. Equitable and meaningful access to core content aligned to EL program requirements are required components of grading for ELs.

Applicable to district-managed schools: When determining grades, no English Learner shall receive a failing grade due to limited English proficiency. A failing grade must be based solely on the English Learner's level of academic performance in the appropriate bilingual education program. While not an exhaustive list, the practices listed below contribute to equitable grading practices for ELs:

1. **Success Criteria and Differentiation:** English Learners are to receive grades based on specific success criteria for instruction that has been differentiated to their linguistic proficiency. Teachers use a variety of instructional approaches and strategies tailored to meet the diverse needs of ELs, ensuring that assessments are provided with equitable access in order to demonstrate their knowledge and skills.

2. **Varied and Multimodal Assessments:** Various types and modalities of assessments, including oral presentations, projects, portfolios, and other forms, are used to align with language instruction. These diverse assessment methods provide ELs with ample opportunities to demonstrate their understanding and progress in all four domains of language.
 3. **Monitoring and Support:** Ongoing monitoring of ELs' academic and linguistic progress will be conducted, with targeted interventions provided as indicated.
- E. **Course Credit.** Students in TBE and TPI programs shall receive full credit for courses taken in these programs, which shall count toward promotion and fulfillment of district graduation requirements. ESL courses in high school count toward English course requirements toward graduation and students should not be required to enroll in English courses in addition to the ESL courses they are enrolled in.

If the language use pattern involves two or more languages or modes of communication, the student shall be evaluated by qualified specialists using each of the languages or modes of communication used by the student.
- B. **IEP and Related Services**
The IEPs developed and implemented should reflect the linguistic, cultural, and instructional needs of students and, to the maximum extent appropriate, students will be placed in non-restrictive environments ~~which that~~ provide for integration with nondisabled peers in bilingual classrooms. Bilingual or ESL endorsed personnel will participate in all IEP meeting(s) for English Learners, fulfilling the role of a Bilingual Specialist, including interpreting the English language proficiency assessments (ACCESS) and providing input on how their proficiency impacts their instructional needs.

Bilingual Special Education services: ELs with disabilities are entitled to receive both services: EL program (Bilingual) and Special education. There are 6 Bilingual Special education models that schools can use to describe how to provide Bilingual services/support when ELs are receiving Special education services.

9. Parental Involvement

- A. **Chicago Multilingual Parents Council (CMPC)**

Membership

on the CMPC is based on citywide elections as set forth in the bylaws of the CMPC.

**AMEND BOARD REPORT 17-0628-PO4
BREAKFAST AFTER THE BELL**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board of Education (“Board”) amend Board Report 17-0628-PO4, Breakfast After the Bell Policy in response to the required biennial policy review. This policy was posted for public comment from July 26, 2024 until August 26, 2024.

PURPOSE

The Board is committed to supporting the Whole Child through policies and programs that address the physical, social-emotional, and mental well-being of all students. This policy establishes the requirements, based on Illinois’ Breakfast After the Bell Act, for providing breakfast after the bell official instructional day has begun in all Chicago Public elementary, middle, and high schools Schools and charters that have opted into CPS meals. ~~This policy establishes alternative breakfast models by which breakfast after the bell will be implemented. Models include but are not limited to: Breakfast in the Classroom (“BIC”), Grab n’ Go, Second Chance Breakfast, Breakfast Vending or a hybrid of those models to be determined by the Office of Nutrition Support Services.~~ This policy seeks to create a school environment that supports breakfast participation by all students regardless of when they arrive at school and encourages students to embrace a morning routine that includes breakfast, ~~and creates a healthy start to each school day.~~

POLICY TEXT**I. Background**

~~In 2010 the Board of Education recognized its commitment to serve the needs of the whole child (physical, emotional, and academic) while at school. The primary goal of the BIC program was to promote student health and academic achievement by providing a nutritious breakfast as a routine start of every school day. After implementation CPS elementary school breakfast participation increased by 5.3 million meals per year bringing average daily participation to 54% and increasing district revenue by \$7.8 million. After the initial successful implementation in elementary schools some high schools piloted alternative breakfast models.~~

Food insecurity and hunger disproportionality impact racial and ethnic minorities. Access to free school meals serve as a tool to reduce these disparities. Research¹ shows that ~~an effective~~ school breakfast programs not only reduces hunger but also ~~has~~ have a range of positive educational outcomes, including the following:

- Eating breakfast improves math grades, vocabulary skills, and memory. Children who eat breakfast at school – closer to class and test-taking time – perform better on standardized tests than those who skip breakfast or eat breakfast hours earlier at home.
- Students who participate in school breakfast have lower rates of absence and tardiness and exhibit decreased behavioral and psychological problems. Children who eat school breakfast have fewer discipline problems and visit school nurses’ offices less often.
- Children who participate in school breakfast eat more fruits, drink more milk, and consume a wider variety of foods than those who do not eat school breakfast or who have breakfast at home.

¹ <https://frac.org/wp-content/uploads/breakfastforlearning-1.pdf>

~~Children and adolescents who eat breakfast are significantly less likely to be overweight, while skipping breakfast is associated with a higher risk of obesity.~~

II. Implementation

~~Beginning in the 2017-2018 school year all schools shall comply with the standards, requirements, program goals and accountability measures outlined within this policy. All~~ All schools offer breakfast prior to the start of the school day using a variety of models, including in-cafe breakfast. In addition, all schools shall deliver make daily breakfast available to all students after the bell through one of the breakfast models as outlined below:

- ~~A. Elementary and Middle Schools: Breakfast in the Classroom is a service delivery model where students eat breakfast in classrooms after the official start of the school day. This remains the preferred model for elementary and middle schools. In special circumstances where breakfast in the classroom is not possible, elementary and middle schools shall provide breakfast in non-classroom service areas (i.e. the cafeteria, auditorium or other suitable common room). If another service area is used, it must be used consistently every school day to ensure clear structure for students that enhances good nutrition habits. The Principal or designee must submit proposed non-classroom service areas to the Office of Nutrition Support Services for approval. Models for providing breakfast to elementary and middle school students include the following:~~
- ~~i. Breakfast in the Classroom: Students or staff may deliver breakfasts to classrooms from the cafeteria via coolers or insulated rolling bags, or school nutrition staff can serve breakfast from mobile carts in the hallways. Breakfast in the Classroom typically takes 10-15 minutes and can happen during morning tasks such as attendance or can be integrated with other instructional activities.~~
 - ~~ii. Grab n' Go Breakfast: Grab n' Go is a service delivery model where conveniently packaged breakfasts are picked up by students from mobile service carts in high traffic areas such as hallways, entryways or cafeterias and carried to classrooms or other approved spaces~~
- ~~B. High Schools: Only high schools may provide breakfast before the bell as long as they also provide breakfast after the bell. Breakfast before the bell may be offered in the cafeteria. The Office of Nutrition Support Services must approve all service models. Breakfast after the bell must be provided in an operational model that offers as many opportunities to students as possible as outlined below:~~
- ~~i. Grab n' Go Breakfast: as described above in A. ii.~~
 - ~~ii. Second Chance Breakfast: Second Chance Breakfast refers to a meal service model where students eat breakfast during a break in the morning, often after first period or midway between breakfast and lunch. Schools can serve breakfast in the same manner as they would with traditional Grab n' Go breakfast. This model can be particularly effective for older students who may not be hungry first thing in the morning or may have conflicting zero period classes. Second Chance Breakfast may be referred to by a variety of names, such as Breakfast after First Period, School Brunch or Mid-Morning Nutrition Break.~~
 - ~~iii. Breakfast Vending: Breakfast Vending allows students to access breakfast foods through vending machines. This model can be implemented in high schools and vending machines will only be available during a scheduled time agreed upon to ensure after the bell opportunities for all students.~~

~~iv. Hybrid Model: Schools may offer a hybrid of the aforementioned alternative breakfast models:~~

- ~~A. Students pick up a breakfast bag in the lunchroom or from another single designated area before proceeding to class.~~
- ~~B. School dining staff will work with school administrators to agree on where breakfast will be available to students after the instructional day has started and where students can consume the meal. Eating in the classroom is permissible based on school principal discretion.~~
- ~~C. Schools must allow students to access breakfast until 1 hour before the first lunch period.~~
- ~~D. Signage must be posted to indicate where and when students can access breakfast after the bell.~~

III. Authorization to Formulate Guidelines

The Nutrition Support Services (NSS) Executive Director or designee is authorized to ~~issue~~ revise Guidelines for the effective implementation of the Breakfast After the Bell Policy ~~and further~~ to ensure compliance with USDA and State regulations in the provision of school breakfast meals. Guidelines will be disseminated to stakeholders annually.

IV. Compliance

NSS will monitor compliance and assist schools in the implementation of Breakfast After the Bell by ensuring schools have the appropriate support through training, guidelines, and equipment.

~~Failure to abide by this Policy or the Breakfast After the Bell Guidelines may subject employees to discipline up to and including dismissal in accordance with the Board's Employee Discipline and Due Process Policy. result in penalties issued from ISBE.~~

**AMEND BOARD REPORT 23-0426-PO1
PAID TIME OFF POLICY**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Chicago Board of Education ("Board") amend Board Report 23-0426-PO1, Paid Time Off Policy. The amendments to the policy include new eligibility to accrue paid sick days for miscellaneous/part-time seasonal employees. This policy was posted for public comment from July 26, 2024 until August 26, 2024.

PURPOSE: This policy provides for the accrual, accumulation, and use of paid vacation days, sick days, personal business days, and Short-Term Disability benefits by eligible employees in alignment with existing programs and practices, Board Rules, and state law.

POLICY TEXT:

This policy applies to CPS employees in a job category listed by the Chief Executive Officer ("CEO") or designee as benefits eligible, including those employees who are subject to a Collective Bargaining Agreement ("CBA") to the extent this policy does not conflict with the terms of the applicable CBA. This policy does not apply to employees in a job category listed by the CEO or designee as not benefits-eligible which includes, but is not limited to, part-time, substitute, or retiree job categories.

I. Sick Days.

An employee may use Sick Leave when:

- Employee is ill or injured, or for the purpose of receiving professional care, including preventive care, diagnosis, or treatment, for medical, mental, or behavioral issues, including substance use disorders;
- An employee's family household member is ill, injured, or ordered to quarantine, or to care for a family member receiving professional care, including preventive care, diagnosis, or treatment, for medical, mental, or behavioral issues, including substance use disorders;
- An employee, or an employee's family household member, is the victim of domestic violence, or a sex offense, or trafficking, or a victim of a violent crime;
- Employee's place of business is closed by order of a public official due to a public health emergency, or the employee needs to care for a family household member whose school, class, or place of care has been closed;
- Employees placed on suspension or otherwise placed on leave due to disciplinary reasons may not use paid sick leave.
- Employee obeys an order issued by the Mayor, the Governor of Illinois, the Chicago Department of Public Health, or a treating healthcare provider, requiring the employee to:
 - Stay at home to minimize the transmission of a communicable disease;
 - Remain at home while experiencing symptoms or sick with a communicable disease;
 - Obey a quarantine order issued to the employee;
 - Obey an isolation order issued to the employee.

~~Employees are granted sick days for use during the employee's personal illness or illness in the immediate family or household. For purposes of this policy, (i) "illness" means illness, injury, or medical~~

~~appointment (including appointments for medical procedures, dental and mental health services, and other physical and mental health therapy appointments), and "immediate family or household"~~ For the purposes of this Section, "family household member" means the employee's parent, stepparent, grandparent, child, stepchild, foster child, grandchild, brother, sister, spouse, domestic partner or party to a civil union as defined in Board Rule 4-17, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, nephew, niece, uncle, aunt, and cousin.

Sick days may also be used in accordance with terms of the Board's Bereavement Leave (Board Rule 4-14).

Employees placed on suspension or otherwise placed on leave due to disciplinary reasons may not use paid sick leave.

Nothing in this section prohibits the Chief Talent Officer, as the CEO's designee, from authorizing additional paid time-off when appropriate in extraordinary cases where an employee's continued illness extends beyond the amount of their available paid time off. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay). Non-unionized staff may use sick leave in a minimum of two (2) hour increments. Unionized staff may use sick leave in a minimum of two (2) hour increments unless stated otherwise in an applicable collective bargaining agreement.

A. *Sick Day Bank* - Sick days are granted (front-loaded) to an employee that is actively reporting to work at a rate of one day per scheduled full month worked and are maintained in the employee's Sick Day Bank. Teachers who are at the maximum step of the salary schedule and have at least thirteen (13) years of full-time teaching experience receive one (1) additional sick day per year. Teachers who are at Step 13 on the salary schedule and have at least eighteen (18) years of full-time teaching experience receive two (2) additional sick days per year. For new employees hired after the start of the fiscal year, a prorated number of sick days will be ~~maintained~~ granted in their Sick Day Bank, following a ~~60~~ thirty (30) calendar day waiting period that begins on the date of hire. If an employee is on leave at the beginning of their scheduled work year, the sick days will be granted upon their return to work at a prorated rate. Days granted at the beginning of the fiscal year may not be used unless the employee is actively reporting to work. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay).

Front-loaded ~~S~~sick days that an non-union employee does not use on or before June 30th of the fiscal year in which the sick days were earned will be removed from the Sick Day Bank and forfeited. Any days in the Sick Day Bank that an employee does not use on or before the date their employment ends will be forfeited.

Sick day advancement

If a newly hired employee requests to use a sick day(s) before the sick day(s) is made available for usage, it will only be granted if the employee agrees, in writing, that in the event the employee resigns or is otherwise separated from employment after having been paid for sick days before they are granted, the CEO or designee may deduct the amount of paid unearned sick days from any final compensation due to the employee, including any final payout of vacation days on separation. Any sick days used before they are made available for usage will be deducted from the initial amount granted into the employee's bank. CPS may request that the employee submit a provider note to qualify for advance sick day use in this paragraph. Part-time union and non-union seasonal/miscellaneous/hourly employees are not eligible for sick day advancement under this Section.

~~Non-union seasonal/miscellaneous/hourly employees~~ Part-time union and non-union seasonal/miscellaneous/hourly employees

- ~~s~~ Shall accrue sick leave in the amount of one hour for every ~~forty~~ thirty-five (35) hours worked, following a 60-thirty (30) calendar day waiting period that begins on the date of hire, (up to 40 hours in a 12-month period). ~~Employees hired after the start of the fiscal year will receive a grant of 40 hours of sick leave maintained in their Sick Day Bank, following a 60 30 calendar day waiting period that begins on the date of hire.~~
- Accrued and unused sick time may carry over into the next fiscal year up to eighty (80) hours max.

Special Note: In the event that an employee transfers from a unionized position to a non-union, 52-week position, the sick time earned while in their unionized position will be maintained in a separate Sick Day Bank. This sick time may be available for use while on an approved Leave of Absence in the event that the employee exhausts their allotted central office/non-union sick days. They may use the accrued sick time upon their return to an equivalent unionized position, assuming that position accrues or is granted sick time at a rate other than 12 days per fiscal year.

B. Paid leave for part-time union and non-union seasonal/miscellaneous/hourly employees. Part-time union and non-union seasonal/miscellaneous/hourly employees will accrue one (1) hour of paid leave for every thirty-five (35) hours worked (up to forty (40) hours in a 12-month period) to be used as needed after the 90th calendar day of employment. Paid leave hours that an employee does not use on or before June 30th of the fiscal year in which the paid leave days were earned will be carried over to the next fiscal year (up to sixteen (16) hours in a 12-month period). When an employee separates from service or does not receive an assignment for sixty (60) days they may request a pay out of their unused paid leave hours not to exceed seven (7) days maximum. If an employee moves from a seasonal/miscellaneous/hourly position to an eligible position that front-loads paid leave hours will be paid out. Employees placed on suspension or otherwise placed on leave due to disciplinary reasons may not use paid leave.

Paid leave requests for part-time employees will be evaluated and granted on a case-by-case basis. Approval will depend on maintaining the continuity of operations within the department, school, or district-wide, considering factors such as staffing requirements, sufficient student coverage, critical school/department activities, and the impact on services. Requests will be considered on a first-come, first-served basis.

Paid leave for part-time employees should be requested in writing in advance, according to the guidelines set by the school or department, and must not be submitted more than seven days before the intended leave date, except in unforeseen circumstances. In cases of unforeseen circumstances, the request should be made as soon as possible so that these requests can be evaluated to determine if granting the request will negatively impact maintaining continuity of operations. If the request is denied, the denial must be provided in writing, including the rationale for the decision.

B.C. Grandfathered Sick Day Bank. For employees hired before July 1, 2012, with an existing bank of accumulated unused sick days as of June 30, 2012, such sick days were retained in a Grandfathered Sick Day Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee's Grandfathered Sick Day Bank are subject to the payout provisions set out in Section I.H. of this Policy. Employees with a Grandfathered Sick Day Bank who are laid off or who resign and return to service within one year of separation will have a restoration of their unpaid accumulated sick days in their Grandfathered Sick Day Bank at time of separation.

Ⓔ. D. Transfer of Sick Days Earned at Other Agencies. For new employees, the CEO or designee will not accept the transfer of accumulated sick days earned as a full-time employee of the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Cook County Forest Preserve District, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, City Colleges of Chicago or the State of Illinois (“other agency”). For employees with an authorized transfer of other agency sick days occurring prior to July 1, 2012, such days are maintained in an Other Agency Sick Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee’s Other Agency Day Bank are forfeited and are not subject to payout.

Ⓔ. E. Sick Pay. Employees who use their sick days (whether Sick Days, Grandfathered Sick Days or Other Agency Sick Days) will be paid their regular daily rate of pay for the sick day at the time the sick day is taken. Teachers on extended programs, including 8-hour day positions and regularly scheduled classes authorized on an overtime basis (but not including classes established after regular school hours to supplement the regular program, such as after-school classes in reading and arithmetic, driver training programs, evening school programs and social center programs), will be entitled to extended-day pay when absent if entitled to sick pay for the normal school day under the provisions of this policy.

Ⓔ. F. Physician’s Certificate. Any employee who is absent for more than three (3) consecutive work days must provide a certificate of treatment from a physician, or if the treatment is by prayer or spiritual means, from the advisor or practitioner of such employee’s faith ~~as a condition of their return to work~~. If a supervisor has a reasonable suspicion that an employee is abusing sick days, they may demand that the employee provide a certificate that the employee has received treatment from a physician, advisor or practitioner regardless of the number of days of absence.

Ⓔ. G. Returnees from Military Leave. Employees who return from military leave within sixty (60) days after they are honorably discharged will receive credit for the purpose of sick day allotment for the period of their military leave, as if they had been continuously in the service of the Board.

Ⓔ. H. Failure of Notice of Return to Service. When a teacher, or other employee category where a substitute is assigned, reports for duty after a temporary absence without giving notice to the school by 2:00 p.m. the day prior to their return to duty and a substitute has been sent to the school, the amount paid to the substitute for one-half (½) day service will be deducted from the salary of the teacher.

Ⓔ. I. Payout of Grandfathered Sick Day Bank Upon Qualifying Event. The CEO or designee will pay an eligible employee all or part of their Grandfathered Sick Day Bank as set out below.

Resignation or retirement with at least 20 but less than 33.95 years of Board service	90%
Resignation or retirement at age 65 with less than 20 years of Board service	85%
Employee's Death	100%

2. *Payout of Grandfathered Sick Day Bank to 403(b) Tax Deferred Compensation Plan for Certain Eligible Employees.* Effective July 1, 2004, in lieu of the amount payable to an eligible employee who (i) separates from service with the Board and who, upon such separation, is eligible to receive a service retirement pension pursuant to Section 17-116 of the Illinois Pension Code or an annuity pursuant to Sections 8-130, 131, or 132 of the Illinois Pension Code, and (ii) who has the equivalent of two thousand (\$2,000.00) dollars or more in his/her Grandfathered Sick Day Bank at the time of separation, the Board will contribute on behalf of an eligible employee to the Chicago Public Schools 403(b) Tax Deferred Compensation Plan (the "Plan") an amount equal to the lesser of (i) the applicable unused Grandfathered Sick Day Bank pay equivalent amount payable under Section I.H. of this Policy, or (ii) \$80,000 (the "Contribution"). If the eligible employee has not contributed to the Plan at the time of his or her separation, the Board will select a Plan Service Provider pursuant to its established guidelines. Because of the limitations imposed by Section 415 of the Internal Revenue Code of 1986, as amended ("IRC"), the Contribution in the year of separation will be the lesser of (i) the IRC limit less any amount of elective deferrals that the eligible employee may have made to the Plan in the year of separation, or (ii) the total unused days in the employee's Grandfathered Sick Day Bank. If the full Contribution cannot be made to the Plan in the year of separation, then additional installments of the Contribution (up to the IRC limit for each year) must be made no later than March 31 of each succeeding calendar year following the calendar year in which separation occurs, up to five years, if necessary. The amount of each installment must not exceed the amount allowable under IRC Sections 403(b) and 415. Any amount in excess of the Contribution or below the minimum Contribution amount that would be payable under Section I.H. of this Policy will be paid directly to the eligible employee at the time of separation.

II. Short Term Disability Benefits. In the event an employee is unable to work due to the employee's non-occupational injury, sickness or pregnancy the employee may apply for a Short-Term Disability ("STD") benefit. Under the STD plan, an employee may continue to receive a full or partial salary for up to ninety (90) calendar days in a rolling 12-month period. An employee's eligibility for STD benefits is subject to the applicable conditions and prerequisites specified in the STD plan issued by the CEO or designee including those related to the use of sick days, filings under the Family and Medical Leave Act, physician documentation and coverage exclusions. For new employees, STD eligibility begins on the first calendar day of the month following a 60 calendar day waiting period that begins on the date of hire.

III. Personal Business Days. Employees, other than part-time union and non-union seasonal/miscellaneous/hourly, are granted an allotment of three (3) personal business days ("Personal Day(s)") annually during the first payroll period of the fiscal year in July. New employees are granted three

Employees forfeit the Personal Business Days that are not used within the same fiscal year the Personal Business Days are granted.

Personal business days will be evaluated and granted on a case-by-case basis. Approval will depend on maintaining the continuity of operations within the department, school, or district-wide, considering factors such as staffing requirements, sufficient student coverage, critical school/department activities, and the impact on services. Requests will be considered on a first-come, first-served basis.

Personal business days should be requested in writing in advance, according to the guidelines set by the school or department, and submitted seven days before the intended leave date, except in unforeseen circumstances. In cases of unforeseen circumstances, the request should be made as soon as possible to evaluate whether granting the request will negatively impact maintaining continuity of operations. If the request is denied, the denial must be provided in writing, including the rationale for the decision. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay).

IV. Vacation Days.

A. Accrual of Vacation Days.

A new teacher or employee in a position with an employment period of less than 52-weeks per year, less than 12 calendar months per year or less than 13 school months per year, is eligible for three (3) paid vacation days for Winter Recess based on formulas in applicable collective bargaining agreements. Vacation days under this section must be used and do not accumulate.

2. *Educational Support Personnel and Officers.* Effective January 4, 2021, educational support personnel and certificated administrators accrue vacation days each pay period at the accrual rate provided below unless the employee has reached their maximum accrual amount. Effective January 4, 2021, the General Counsel, the Board Secretary, Executive Officers, and Officers accrue vacation days each pay period at the accrual rate provided below unless the employee has reached their maximum accrual amount.

<u>Years of Service</u>	<u>Accrual Rate</u>	<u>Maximum Accrual</u>

For service for twenty-one (21) or more years	.097 days per day paid, not to exceed five (5) weeks or twenty-five (25) days per year	35 days

Once the applicable maximum accrual of vacation days has been reached, no additional vacation days will be accrued by the employee until the balance of unused vacation days falls below the applicable maximum accrual.

B. *Vacation Day Use and Pay.* Vacation may be taken at a time approved by the employee's department head or designee. Employees will be paid their regular daily rate of pay for their Vacation Days at the time the vacation is taken. Whenever possible, teachers and staff should schedule vacation activities during their pre-defined vacation periods of Winter and Spring Breaks. Employees must exhaust all applicable banked or accrued leave days (such as sick, vacation, personal business, or other paid time off) before requesting or taking a "zero day" (a day off without pay).

C. *Prior Board Service.* Employees who are laid off or who resign and return to Board employment within one year of separation will have a restoration of their prior Board years of service for vacation accrual purposes.

2. D. *Outside Public Agency Service.* Effective July 1, 2012, service credit adjustments shall not be made for new employees who were previously employed by the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Forest Preserve District, Metropolitan Pier and Expositions Authority, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, Chicago Transit Authority, City Colleges of Chicago or the State of Illinois. Any service credit adjustment for prior employment with the above-noted agencies authorized for an employee prior to July 1, 2012 in accordance with the rules and policies then in effect will be maintained until the employee separates from employment. Employees with previously-approved service credit adjustments who are laid off or who resign and return to service within one year of separation will have a restoration of their prior service credit adjustment.

D. E. *Final Payout of Accumulated Reserve Vacation Benefit Days.* An employee with unused and accumulated reserve vacation benefit days and/or RS2 vacation benefit days that were awarded to the employee under prior policies and rules (collectively referred to as "Reserve Days") will be paid for such accumulated Reserve Days at the employee's prevailing salary with such final payout occurring as part of the last full pay period of FY2014. Upon payment, Reserve Days will no longer be awarded or held in a benefit day bank for employee use.

E. E. Payout Unused Vacation Benefit Days. If an employee separates from Board service they are entitled to receive payment after separation for all unused vacation days at the employee's prevailing salary. An appointed teacher or temporary assigned teacher who is displaced will be paid out any earned and unused vacation pay in accordance with formulas and eligibility criteria set forth in applicable collective bargaining agreements. In the event of an employee's death, the surviving spouse or estate is entitled to receive payment for all of the employee's unused vacation days at the employee's prevailing salary. An employee transferring either from a school month to a calendar position or from a calendar to a school month position will receive payment for accumulated vacation days at the rate of pay immediately prior to the transfer.

F. G. Military Service. Employees who have returned from military service and who resume work with the Chicago Public Schools within sixty (60) days after a discharge other than dishonorable are considered as having been continuously in the service of the Chicago Public Schools during the period of such leave. The employee will not earn vacation days during the period of the employee's military leave of absence.

V. Holidays

- A. Employees otherwise scheduled to work shall not be scheduled to work on Board holidays, except as necessary for the security and maintenance of facilities. Holidays that fall on a Sunday shall be observed on the Monday following the holiday. Holidays that fall on a Saturday shall not be observed. Reference the academic calendar for Board's paid holidays.
- B. Holiday Pay and Conditions for Holiday Pay. Employees, other than substitute teachers, and part-time/seasonal employees shall be paid their regular pay for the holiday. In the case of teachers, "regular pay" includes pay for extended day and regularly scheduled classes authorized on an overtime basis. To be eligible for holiday pay, employees must work either the day before or the day after the holiday, unless the employee has been approved to use benefit time on those days. Other eligibility requirements may be established by collective bargaining agreements or Board policies.
- C. Religious Holiday Benefit Days (RHL). Religious Holidays. Employees, other than substitute teachers, and part-time/seasonal employees shall be granted an allotment of three (3) paid religious holiday benefit days during the first payroll period of the fiscal year in July for the observance of religious holidays. New employees will receive their allotment of religious holidays following the first pay period after their date of hire. Employees forfeit the Religious Holiday Benefit Days that are not used within the same fiscal year the Religious Holiday Benefit Days are granted. Unused religious holidays are ineligible for payout upon employment separation. Religious holidays shall not be considered an absence, provided that the employee must give written notice to their supervisor at least seven (7) calendar days in advance of non-attendance for the religious holiday. Approval for these requests will be at the discretion of the principal or manager, taking into account operational needs such as staffing requirements, maintaining student coverage, critical/department activities, availability of substitutes, and impact on services. Employees must be actively reporting to work in order to use the religious holidays. They are not eligible for use while an employee is on a leave of absence.

- (6) In loco parentis with respect to such a person; or
- (7) Actively seeking legal custody, guardianship, visitation, or adoption of such a person.

- L. **Party:** a complainant or respondent in any action under this policy.
- M. **Peer Retaliation:** retaliation by a student against another student.
- N. **Pregnancy or Related Condition:** (1) Pregnancy, childbirth, termination of pregnancy, or lactation; (2) Medical conditions related to pregnancy, childbirth, termination of pregnancy, or lactation; or (3) Recovery from pregnancy, childbirth, termination of pregnancy, lactation, or related medical conditions.
- O. **Racial Discrimination:** Treating a Covered Individual unfavorably because they are of a certain race or because of personal characteristics associated with race (such as hair texture, skin color, or certain facial features.) Color discrimination involves treating a Covered Individual unfavorably because of skin color complexion.
- P. **Remedies:** Measures provided, as appropriate, to a party identified as having had their equal access to the District's education program or activity limited or denied by harassment and/or discrimination. These measures are provided to restore or preserve that person's access to the District's education program or activity after a determination that harassment and/or discrimination occurred.
- Q. **Respondent:** A person who is alleged to have violated the District's prohibition on discrimination and/or harassment, as covered by this policy.
- R. **Retaliation:** Any adverse action to employment, educational program or activity, or adverse change in employment, educational program or activity, taken against a Covered Individual for having made a complaint or report of Discrimination and/or Harassment based on protected categories, whether made internally, or externally with a federal, state, or local agency; or for participating, aiding, or refusing to participate in an investigation, proceeding or hearing related to a report or complaint of Discrimination and/or Harassment based on protected categories, under this Policy, whether internal, or external with a federal, state, or local agency, is strictly prohibited. Retaliation for reporting sexual harassment, as defined by Municipal Ordinance and Illinois State Law, is illegal in Chicago. An adverse action can include discipline or denial of access to a service or benefit. For purposes of Title IX, intimidation, threats, coercion, or discrimination against any person by the Board, a student, or an employee or other person authorized by the Board to provide aid, benefit, or service under the Board's education program or activity, for the purpose of interfering with any right or privilege

secured by Title IX or its regulations, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the Title IX regulations constitutes Retaliation. Any person who believes that they have been subjected to Retaliation should refer to Section III. Subject to applicable laws and regulations, including Title IX, nothing herein is intended to conflict with an employee's obligations under Board Rule 4-4 (m) to cooperate in investigations by the Office of the Inspector General.

- S. Sex-based Harassment:** a form of sex discrimination and means sexual harassment and other harassment on the basis of sex, including on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity, that is:

(1) Quid pro quo harassment. An employee, agent, or other person authorized by the Board to provide an aid, benefit, or service under the Board's education program or activity explicitly or impliedly conditioning the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct;

(2) Hostile environment harassment. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the Board's education program or activity (i.e., creates a hostile environment). Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:

(i) The degree to which the conduct affected the complainant's ability to access the District's education program or activity;

(ii) The type, frequency, and duration of the conduct;

(iii) The parties' ages, roles within the District's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;

(iv) The location of the conduct and the context in which the conduct occurred;
and

(v) Other sex-based harassment in the District's education program or activity;
or

(3) Specific offenses.

(B) Where the existence of such a relationship shall be determined based on a consideration of the following factors:

(1) The length of the relationship;

(2) The type of relationship; and

(3) The frequency of interaction between the persons involved in the relationship;

(iii) Domestic violence meaning felony or misdemeanor crimes committed by a person who:

(A) Is a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction of the District, or a person similarly situated to a spouse of the victim;

(B) Is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;

(C) Shares a child in common with the victim; or

(D) Commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction; or

(iv) Stalking meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

(A) Fear for the person's safety or the safety of others; or

(B) Suffer substantial emotional distress.

T. Sexual Harassment (City of Chicago): Sexual Harassment means any

(1) unwelcome sexual advances or unwelcome conduct of a sexual nature;

(2) requests for sexual favors or conduct of a sexual nature when

- (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or
- (ii) submission to or rejection of such conduct by an individual is used as the basis for any employment decision affecting the individual; or
- (iii) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment; or

(3) sexual misconduct, which means any behavior of a sexual nature which also involves coercion, abuse of authority, or misuse of an individual's employment position.

U. Sexual Harassment (Illinois Human Rights Act): Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

V. Sexual Misconduct: A form of sex or gender-based Discrimination or Harassment, including any conduct of a sexual nature that is unwelcome or inappropriate and unreasonably interferes with, limits, or denies an individual's educational or employment access, benefits, or opportunities. CPS uses six (6) categories to further classify sexual misconduct incidents. Those categories are: grooming, inappropriate touching, sexual communication (including electronic, verbal, or written), sexual bullying, sexual exploitation, and exposure/voyeurism/masturbation. With respect to conduct between Covered Individual adults and students, any sexual or romantic conduct constitutes Sexual Misconduct.

W. Student with a Disability: a student who is an individual with a disability as defined in the Rehabilitation Act of 1973, as amended, 29 U.S.C. 705(9)(B), (20)(B), or a child with a disability as defined in the Individuals with Disabilities Education Act, 20 U.S.C. 1401(3).

X. Supportive Measures: individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a complainant or respondent, not for punitive or disciplinary reasons, and without fee or charge to the complainant or respondent to:

- (1) Restore or preserve that party's access to the District's education program or activity, including measures that are designed to protect the safety of the parties or the District's educational environment; or
- (2) Provide support during the grievance procedures described in this policy, and/or during the informal resolution process described under this policy.

IV. Examples of Prohibited Conduct

In compliance with the Illinois Racism Free Schools Law, the City of Chicago's sexual harassment prevention laws, and other local, State, and Federal laws, Chicago Public Schools' Comprehensive Non-Discrimination Policy describes and provides examples of harassment and/or discrimination covered by this policy. While each set of facts is evaluated individually and these examples are not comprehensive, this section provides clear, concrete descriptions of behaviors that would be covered by this policy, including patterns of behavior, including microaggressions, that, taken as a whole over time, rise to the level of violating this policy. Examples are adapted from the Equal Opportunity Employment Commission, the U.S. Department of Education Office for Civil Rights, and the City of Chicago Ordinances as noted.

- A. **Color:** Although sometimes related to harassment and/or discrimination based on race or national origin, color-based harassment due to an individual's pigmentation, complexion, or skin shade or tone is independently covered. For example, if a supervisor harasses or denies opportunities to Black employees with darker complexions but does not harass or deny opportunities to Black employees with lighter skin tones, this may be evidence that the harassment was due to color. (EEOC)
- B. **National Origin / Shared Ancestry:** Harassment and/or discrimination based on national origin or shared ancestry includes ethnic epithets, derogatory comments about individuals of a particular nationality, shared ancestry, and/or use of stereotypes about the complainant's national origin. It also can include harassment regarding traits or characteristics linked to an individual's national origin or shared ancestry, based on citizenship or residency in a country with a dominant religion or distinct religious identity such as physical characteristics, ancestry, or ethnic or cultural characteristics (e.g., attire, diet, language). Mocking a person's accent or denying them the chance to participate in an after school club because of ethnic attire, language, or accent are examples of prohibited conduct.
- C. **Race:** Harassment and/or discrimination is based on a complainant's race if it is because the complainant is Black, Asian, White, multiracial, or another race. Examples of harassing conduct based on race include racial epithets or offensive comments about members of a particular race, or harassment based on stereotypes about the complainant's race. It also can include harassment based on traits or characteristics linked to an individual's race, such as the complainant's name, cultural dress, accent or manner of speech, and physical characteristics, including appearance standards (e.g., harassment based on hair textures and hairstyles commonly associated with specific racial groups, or discrimination like preventing a person from participating in an activity because of their race or cultural hair style)
- D. **Retaliation:** Retaliation occurs when someone intimidates, threatens, coerces, or discriminates against anyone for participating in the grievance process, reporting information, making a complaint, participating in an investigation (or refusing to participate in the Title IX process), even if they are not a complainant or respondent in a proceeding. A coach refusing to allow an individual who was a respondent in a case to try out for the baseball team after a finding of non-responsibility, simply because they were a respondent in a case, would be an example of retaliation.
- E. **Sexual Harassment (City of Chicago):** Examples of Sexual Harassment include: Touching an individual's body: hugging, kissing, patting, fondling; Physical gestures that imply a sexual act or

sexual anatomy; Brushing up against another person, standing too close, or lingering; Suggestive behavior such as looking a person up and down, leering, staring, whistling, catcalls, winking, groaning, or smacking/licking lips; Sexual comments or innuendoes about clothing, anatomy, appearance, or sexual jokes or stories; Discussions or inquiries about sexual fantasy, preferences, history, or sex life about self or others; Displaying pictures, objects, reading materials, or other materials that are sexually suggestive; Pressuring/coercion for dates or sexual favors; harassing phone calls, emails, texts, social media posts; Giving personal gifts that imply an intimate relationship; Sending sexually suggestive communications; and/or Stalking, following, or blocking an individual's path.

**RESCIND BOARD REPORT 12-0822-PO2, NO-PASS, NO-PLAY
AND ADOPT A NEW POLICY ON SCHOLASTIC ELIGIBILITY FOR
INTERSCHOLASTIC SPORTS AND ACTIVITIES**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

The Board rescind Board Report 12-0822-PO2, No-Pass/No-Play Scholastic Eligibility Policy, and adopt a new scholastic eligibility policy, named **Scholastic Eligibility for Interscholastic Sports and Activities**. This policy was posted for public comment from July 26, 2024 until August 26, 2024.

BACKGROUND: The first adopted No-Pass/No Play eligibility policy was Board Report 99-0421-PO3. The primary eligibility contingencies for this policy consisted of a student earning 2.0 credits during a semester as well as maintaining a 2.0 cumulative GPA. This policy was updated with Board Report 12-0822-PO2 to reconcile with the amended IHSA scholastic eligibility policy increased to 2 ½ credits earned as the eligibility contingency from 2.0 credits earned. It is recommended that the 2012 policy be rescinded and a new policy be adopted for the following reasons: (1) The context of the current policy is based on a 2 ½ or 3.0 credit/course load per semester, whereas the current normal course load for students is 3 ½ credits per semester. (2) The primary purpose of the CPS Board Report 12-0822- PO-2 (**No-Pass/ No-Play Policy**) requirements were to satisfy Section 34-18.17 of the Illinois School Code. It was also designed to utilize the vehicle of athletic participation to encourage academic performance and promote graduation eligible students. However, the standard of the current policy allows for students to be eligible for athletic participation yet potentially being or remaining off track for graduation. (3) The 2.0 minimum GPA contingency was not an absolute requirement for eligibility, but rather allowed conditional eligibility for students that did not meet that standard through an individual study plan (ISP) or school-based MTSS measures. With the current NCAA GPA standard of 2.3, the application of a GPA contingency in the policy must be revisited.

PURPOSE: The purpose of this policy is to enumerate uniform scholastic eligibility requirements for students in grades 9 through 12 who wish to participate in Illinois High School Association/Chicago Public Schools sponsored interscholastic athletics and activities. This policy is established to satisfy Section 34-18.17 of the Illinois School Code which requires the Board to establish a uniform policy that precludes high school students who fail to satisfy certain academic performance standards from participating in athletics and extracurricular activities.

POLICY TEXT:

I. Definitions

A. Illinois High School Association/Chicago Public Schools sponsored interscholastic athletics and

activities: Interscholastic sports and activities offered by the Illinois High School Association (IHSA), as well as CPS program offerings that culminate in citywide competition.

B. Extracurricular is used to describe extra, competitive activities that can be done by the students in a school but that are not part of the regular schedule of classes. Extracurricular activities are optional and not included as part of extended day activities designed to improve student connectedness and wellbeing.

C. Credit Standard: The fixed number of ¼ (or the nearest round number) of the credits needed to graduate from high school. (For the 2024-2025 school year, the number of credits needed to graduate high school is 24. The credit standard for the 2024-2025

school year is **3 (6 classes)** and remains as long as the number of credits required for high school graduation is 24.

- D. Individual Study Plan (ISP): An executed agreement approved by the school principal, that is between school personnel and students/guardians pertaining to students with a cumulative GPA less than 2.3, or that have only passed 2 ½ credits/commonly 5 classes, in the previous semester. The ISP is a weekly plan to promote academic support for students participating in interscholastic sports, additionally providing the opportunity for them to maintain scholastic eligibility. For students with disabilities, the ISP should follow the student's Individualized Education Plan (IEP), which may have modified grading and promotion criteria that must be considered. For students who are English Learners (EL), the ISP should follow [OMME's EL Grading Guidance](#).
- E. Conditional Eligibility: Eligibility granted to students by the school principal (through a designee) upon the completion of the terms of a formally established Individual Study Plan.
- F. Week of Competition: A week of competition is defined to be from Monday to Sunday.
- II. Applicability: Students in grades 9 through 12 who wish to participate in IHSA/CPS sponsored interscholastic athletics and activities must satisfy the following listed scholastic requirements.
- A. **Previous Semester Eligibility Requirements:**
1. A student must have earned credits equal to or greater than the **credit standard** (for SY25, 3 credits, commonly 6 classes, based on 24 credits to graduate) in the previous semester to be eligible for interscholastic competition in the present semester.
 2. The student must have a cumulative grade point average (GPA) of 2.3 at the beginning of the semester. The most favorable GPA (weighted or unweighted) can be used to determine the GPA.
 3. A beginning freshman who has never attended any other secondary school will be eligible at once if entering at the opening of the semester. This entry must be prior to the 11th day of school per the ISHA.
 4. If the student has been enrolled and in attendance at the school ten days or more during any semester, the student will be counted as having been in attendance during said semester. If the student has been out of school for a semester or more, the previous semester will be understood to mean the last semester during which the student was a member of a high school for at least ten days.
 5. Students that are homeschooled must be *enrolled* at the member high school; this includes taking and passing at least one course at the member school each semester.
- B. **Conditional Eligibility** during the present semester eligibility can be granted to students who:
1. Have only earned 2 ½ credits instead of the required 3 credits in the previous semester
 - a) Credits earned in summer school may be applied to previous semester requirements.
 - b) Credits earned in recovery classes in the present semester can only be applied to eligibility for the next semester. Progress in recovery classes does not affect present semester eligibility.
 2. Have a cumulative grade point average less than 2.3 while earning at least 2 ½

credits in the previous semester

C. Present Semester Eligibility Requirements:

1. The student must be enrolled in at least 2 ½ credit hours/commonly 5 classes, in order to be considered for scholastic eligibility in the present semester.
2. The student must have passing grades according to the **credit standard** (3 credits based on 24 credits to graduate/commonly 6 classes) checked every week by the Principal or designee.
3. Eligibility will be determined and approved every week, prior to the next week of competition by the high school principal or principal designee.
4. For purposes of scholastic eligibility,
 - a) A student who accumulates two (2) or more unexcused absences from any class enrolled or a full day unexcused absence from school is ineligible for that day of competition.
 - b) A student who is issued a suspension (in school/out of school) for misconduct shall be ineligible for competition and practice during the term of the suspension or loss.

D. **Present Semester Conditional Eligibility Requirements:** A student considered for conditional eligibility must establish and execute an *Individual Study Plan (ISP)* aligned to the CPS MTSS Integrity Memo and, for students with disabilities, the student's Individualized Education Plan (IEP), which may have modified grading and promotion criteria that must be considered. For students who are English Learners (EL), the ISP should follow [OMME's EL Grading Guidance](#).

E. If a student fails to satisfy the weekly requirements of their ISP during the competition season, the student's eligibility to participate must be withdrawn for the present week.

III. Interscholastic Sports

Additional eligibility procedures may apply to students participating in interscholastic sports that are governed by the [Chicago Public Schools Athletics Constitution and Bylaws](#).

IV. Accountability

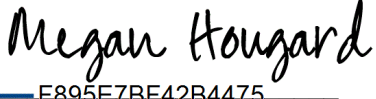

- A. The Principal (or Principal's Designee) is responsible for the certification of student-athlete eligibility.
- B. The Network Chief Officer is responsible for working with the principal to ensure the policy is followed at the school level.
- C. The Office of Sports Administration will:
 - i. Address Issues of non-compliance according to the [Chicago Public Schools Athletics Constitution and Bylaws](#).
 - ii. Provide *Guidelines for Scholastic Eligibility* including best practices of tracking eligibility and strategy for implementing Individual Study Plans for students.
 - iii. Approve the conditional eligibility of students requested by school principals (or principal designees) according to the policy.

E. The Effective Date for this Board Policy is the start of the second semester of the 2024-2025 school year.

**DISPOSITION OF BIDS RECEIVED FOR THE SALE OF PROPERTY LOCATED AT
2833 WEST ADAMS STREET (FORMER CALHOUN NORTH ELEMENTARY SCHOOL)**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

That the Board request the Public Building Commission of Chicago (“PBC”) and/or the City of Chicago (“City”) convey to Marillac St. Vincent Ministries, Inc., an Illinois not-for-profit corporation (“Purchaser”), the former John Calhoun North Elementary School site located at 2833 West Adams Street, Chicago, Illinois (“Property”) as further described herein. The Offer to Purchase Real Estate contained in the bid solicitation, which has been executed by the Purchaser, will convert to a contract upon acceptance and execution by the Board. Title to the Property is to be conveyed to Marillac St. Vincent Family Services, Inc., Purchaser’s designee. Information pertinent to this agreement is stated below.

LEGAL DESCRIPTION, PIN AND USE RESTRICTIONS: See the attached Exhibit A.

BID INFORMATION: In accordance with 105 ILCS 5/34-21, the Property was advertised for sale from December 15, 2023, through March 1, 2024. Bids were due by 4:00 p.m. on March 1, 2024, and were opened on the same date. One bid was received for the Property from Marillac St Vincent Ministries, Inc. The bidder was provided an opportunity to submit their highest and best offer, and increased their offer to:

<u>Bidder</u>	<u>Offer</u>
Marillac St. Vincent Ministries, Inc.	\$200,000.00

The Purchaser’s proposal is to redevelop the Property into a community hub that provides services to those who are most at risk in the community. The property will be used to expand existing services that are currently provided from Purchaser’s adjacent family center and will expand upon community partnerships to provide additional programs and services. Approximately 1/3 of the former school building will be dedicated to supportive housing and the remainder of the building will be utilized for services including programs for at-risk youth, community health initiatives, new parent programs, workforce development and job training programs, housing and case management services for homeless women, as well as the potential to provide substance and mental health services.

APPRAISAL: An appraisal of the Property was conducted by the Board indicating an estimated fair market value of the Property, in its current condition, subject to the use restrictions listed below:

Appraiser:	1st Aerow Valuation Group, LLC
Estimated Fair Market Value:	\$270,000

RECOMMENDATION: The Property is not needed for school educational purposes. The Property previously housed John Calhoun North Elementary School, which closed in 2013. The sale of the Property is in the best interests of the Board in accordance with 105 ILCS 5/34-21. The Board previously solicited bids for the Property in 2017, and approved the sale to Heartland Housing, Inc. (“HHI”), in the amount of \$200,000, plus approximately \$360,000 from the sale of donation tax credits. Subsequent to approval of HHI’s bid, they were unable to obtain financing and proceed with the purchase and redevelopment of the property.

The City or PBC, as necessary, shall include a restrictive covenant in the deed stating that the former Calhoun Elementary School site must be used for a minimum of one of the proposed uses contained in Purchaser’s bid, which specifically include the following: (1) supportive housing services; (2) youth and teen programs; (3) early childhood education; (4) community health services; (5) new parent programs; (6) workforce development and job training programs; (7) housing case management services; (8) substance abuse or mental health services; (9) senior programs; and (10) migrant and immigrant services. In addition, the site may not be used for: (1) a K-12 charter school; or (2) the sale or manufacturing of liquor or tobacco products. The deed for the Property will include this restriction. Title to the Property will revert back to the City of Chicago, in Trust for Use of Schools, as legal title holder of record for the benefit of the Chicago

Board of Education (“Board”) if this restriction is breached or Purchaser fails to use the Property for one or more of the required uses listed above for a period of ten years from obtaining the certificate of occupancy, without the prior written approval of the Board’s Chief Operating Officer. The Property shall be sold in “As Is, Where Is” condition. The deed shall provide the Board, the PBC and City shall be released and discharged from any and all future responsibility and liability relating to the Property’s physical and environmental condition.

The appraisal and the bid received were reviewed and it is recommended that the following bid be accepted:

Bidder Name: Marillac St. Vincent Ministries, Inc.
Address: 212 South Francisco Avenue, Chicago, Illinois 60612
Contact: Michael Chitwood, Chief Executive Officer, 773-722-7440
Grantee Name: Marillac St. Vincent Family Services, Inc.
Amount: \$200,000

AUTHORIZATION: Authorize the President and Secretary to execute the Offer to Purchase agreement and to modify the legal description if necessary, upon receipt of a title commitment and survey. Authorize the PBC and/or the City to issue a quit claim deed in favor of Marillac St. Vincent Family Services, Inc. on behalf of Purchaser. Authorize the General Counsel to take any and all actions required to effectuate this transaction. Authorize the General Counsel and Chief Operating Officer to execute any and all ancillary documents required to administer or effectuate this transaction.

AFFIRMATIVE ACTION: Exempt.

LSC REVIEW: Is not applicable to this transaction.

FINANCIAL: Proceeds (Purchaser’s bid price, less closing costs and seller’s brokerage fee) to be credited to the Capital Asset Fund.

GENERAL CONDITIONS:

Conflicts – The agreement shall not be legally binding on the Board if entered into in violation of the provisions of 105 ILCS 5/34-21.3 which restricts the employment of or the letting of contracts to, former Board members during the one year period following expiration or other termination of their terms of office.

EARLY TERMINATION RIGHT:

The Board shall have the right to terminate this agreement with 30 days written notice.

SCOPE OF SERVICES:

The selected vendor(s) will be responsible for supplying 50 fully functional electric school buses that comply with all relevant federal, state, and local regulations, training, maintenance, and warranty support. The primary objectives of this procurement are to acquire a fleet of electric school buses that meet the transportation needs of Chicago Public Schools, ensure compliance with all safety, operational, and environmental standards, provide training for drivers and maintenance personnel, and ensure long-term service, maintenance, and warranty support for the buses. The reference contract for each of these vendors is between Sourcewell and the manufacturer. The manufacturers do not sell products directly, only through a designated network of authorized dealers. Accordingly, the Board will be entering into agreements directly with the dealers, who have been onboarded as CPS vendors.

The scope of work includes the supply of 50 electric school buses, with 20 buses capable of transporting students who use wheelchairs and seating 48 students total, and 30 buses that can seat up to 71 students. These buses must have a minimum operational range of 105 miles on a full charge, support fast charging with a full charge achievable within 2-3 hours.

DELIVERABLES:

All equipment, products, supplies, and services must be covered by a warranty that is industry standard or better. The vendor must provide comprehensive training for bus drivers on the operation of electric buses, safety procedures, and efficient driving practices, as well as training for Chicago Public Schools maintenance personnel on routine maintenance, troubleshooting, and safety protocols for electric buses. The maintenance and support section include a schedule for routine maintenance services for the buses covering the first five years of operation, details on repair services, including response time, availability of parts, and service locations, and 24/7 technical support for troubleshooting and emergency repairs. Vendors must ensure that all buses and related infrastructure comply with federal, state, and local regulations, including emissions standards and safety requirements, and meet or exceed the

environmental standards set by the U.S. Environmental Protection Agency (EPA) and the Illinois Environmental Protection Agency (IEPA). The delivery schedule requires all buses to be operational by August 1, 2025, with site preparation in collaboration with Chicago Public Schools as needed. Warranty and after-sales support must include a detailed outline of warranty coverage for the buses and batteries, as well as after-sales support options, including extended warranties, service contracts, and upgrade options.

OUTCOMES:

Chicago Public Schools is seeking to purchase electric school buses to enhance the environmental sustainability and operational efficiency of its school transportation system. This initiative aligns with Illinois' commitment to reducing greenhouse gas emissions and promoting clean energy alternatives in public transportation.

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written agreement. Authorize the President and Secretary to execute the agreement. Authorize the Executive Director of Student Transportation to execute all ancillary documents required to administer or effectuate this agreement.

TERM:

The term of this agreement shall commence on October 1, 2024 and shall end September 30, 2027. This agreement shall have two (2) options to renew for periods of two (2) years each.

EARLY TERMINATION RIGHT:

The Board shall have the right to terminate this agreement with 30 days written notice.

SCOPE OF SERVICES:

The selected vendor(s) will be responsible for supplying MFSABs (Multi-Function School Activity Buses) that comply with all relevant federal, state, and local regulations, and providing warranty support. The primary objectives of this procurement are to acquire MFSABs that meet the transportation needs of Chicago Public Schools High Schools, ensure compliance with all safety, operational, and environmental standards, and provide warranty support for the MFSABs. The reference contract for each of these vendors is between Sourcewell and the manufacturer. The manufacturers do not sell products directly, only through a designated network of authorized dealers. Accordingly, the Board will be entering into agreements directly with the dealers, who have been onboarded as CPS vendors.

DELIVERABLES:

All equipment, products, supplies, and services must be backed by a warranty that meets or exceeds industry standards. Vendors must ensure that all MFSABs comply with federal, state, and local regulations, including emissions standards and safety requirements, and meet or exceed the environmental standards set by the U.S. Environmental Protection Agency (EPA) and the Illinois Environmental Protection Agency (IEPA). The delivery schedule must be adhered to, ensuring all MFSABs are delivered within the agreed timeframe. Warranty and after-sales support should include a comprehensive outline of warranty coverage for the MFSABs, along with after-sales support options such as extended warranties, service contracts, and upgrade options.

OUTCOMES:

Chicago Public Schools is seeking to purchase MFSABs to significantly enhance student travel by providing safe, reliable, and convenient transportation for a variety of school-related activities. For sports teams, academic competitions, field trips, or extracurricular events, a MFSAB ensures that students can travel together efficiently and comfortably. This not only reduces the logistical challenges of coordinating multiple vehicles but also fosters a sense of community and teamwork among students. Additionally, having dedicated transportation like a MFSAB helps schools better manage travel schedules, ensuring students arrive on time and return safely. By streamlining student travel, activity buses support the overall educational experience, enabling students to participate in enriching activities that contribute to their academic and personal growth.

REIMBURSABLE EXPENSES:

None

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written agreement. Authorize the President and Secretary to execute the agreement. Authorize Executive Director of Student Transportation to execute all ancillary documents required to administer or effectuate this agreement.

AFFIRMATIVE ACTION:

Pursuant to the Remedial Policy for Minority-Owned Business Enterprise (MBE) and Women-Owned Business Enterprise (WBE) policy participation in Goods and Services contracts with aspirational goals of 30% MBE and 7% WBE. The Office of Business Diversity has granted a qualified exclusion. This transaction is a government piggyback procurement instrument. Vendor to provide Good-Faith-Efforts.
